Per undersigned would respectfully inform this triends and the public that his here had a habit of biting, and the public that his here had a habit of biting, and the public that his le present agent form.

The Union Monitor, latherto a strong radical paper, published at Hillsbord, Monitgomery county, Ill., has deserted its party, and in its last issue places it its party, and in its last issue places it is party, and in the democratic platform. The editor says: "Our country's salvation is to be found the public that his is present agent form.

At the time the injury was sustained by the plaintiff the horse was standing on only in the democratic party, and I in

ligence. The horse should not have been allowed to a and in that condition in the public steer any length of time. He should been allowed to a should been length of time. He should been length of time. He should have been immediately muzzled after tolog fed and watered, and before he was hitched to the waron. But it is claimed that the plaintiff himself was negligent, and therefore should not be sillowed to recover. It is an unyielding rule that a plaintiff presecuting for the negligence of another, should himself the without any misconduct or fault, and should have used ordinary care. An action of democracy, and boldly advocate its success us the only means to save our means should have used ordinary care. An action cannot be maintained when an injury has resulted from the negligence of
both parties. It is the duty of every
person to take care of his own safety. For
the Microandoul Heraid tells a story
to the town of Glastenbury. 20 Conn. 104
Connect who vested in the late election:

June 1987 An action of the first parties of the control of the c

be entitled to recover. But I see nothing in this case which should charge the pinintil? with any want of ordinary care, or implicate him in any negligence. Plaintil was where he had a right to be, Plaintil was where he had a right to be, Ins. or implicate him in any negligence. Well, how did you vote?" "Yes sah, I did vote." "Well, how did you vote?" "Don't know, sah, 'twon't be known for several. passing on the sidewalk. It is true he knew the vicious propensity of the borse, but he also knew that the defendant kept When it was ascertained by the Genrpresume that the horse standing there \$8 per day each, one of the "colored was muzzled. In fact he did not see the members" arose in great Indiguation,

was marked. In fact he did not see the horse until he came up to him and was and wanted to know—"What deep fetch us he ahfo', if dey don't inten' to pay no attitude to the animal from which any negligence could be imputed to him. He did not court the danger, or rashly salves. Dat's all. Ise gwine."

It is the danger of the danger of rashly salves. Dat's all. Ise gwine."
